

Eastwood Park News: Paul and Joe report back

★ Finally – Our new Eastwood sign!

"As reported in our February FOCUS, late last year I was asked how should we spend a small sum of money in the Community," reports Cllr Paul Collins. "I suggested to my Councillor colleagues in Eastwood we should replace our village sign. The original had been condemned, as the post was rotten at the base."

"After many months of chasing, harrying and cajoling, I'm so pleased to unveil our brand new replacement village sign and post."

"Long may it stand over us at Rochford Corner!" says Cllr Paul Collins.

★ Improvements in our Parks

"New saplings planted in Eastwood & Oakwood Parks are growing well," reports Cllr Paul Collins. "This is part of Southend Council's ambitious tree planting programme to improve our environment."

Meanwhile congratulations to **The Friends of Cherry Orchard Park**! Two new benches at rest points along the new park path were "purchased with part of our successful Veolia grant and made with timber from Hockley Woods by Canopy Community Conservation who installed them too."

★ Road and pavement repair news: Report back from Cllr Collins and Joe Higgs

ROAD REPAIR UPDATE: "Eastwood Rise and part of Green Lane have been scheduled for resurfacing this year", reports Cllr Paul Collins. "However, because of delays from Covid-19, it may be later in the year, not earlier. I'll keep you posted."

CITY FIBRE UPDATE (1): BOUNDARY ROAD

We're still seeing problems in Eastwood Park!" says Joe Higgs. "Too many jobs are left unfinished or suffer from poor quality work."

"After Paul Collins and I chased up complaints from residents, City Fibre's contractors are starting much-needed remedial work in **Boundary Road** on Wednesday 28th May."

CITY FIBRE UPDATE (2): WREN AVE & CLOSE

Once again, after residents' complaints were followed up by Cllr Paul Collins and Joe Higgs, City Fibre contractors will carry out remedial work on the site of **Wren Avenue** going into **Wren Close** starting on 15th June.

Joe Higgs, Eastwood Park Lib Dem Campaigner says: "Please let me know if there are issues in your road."

★ SPECIAL "LOCKDOWN" ONLINE ISSUE ★

Cllr Paul Collins & Joe Higgs say:
"We're always here for you!"

It's now more than two months since the UK Covid-19 "lockdown" began on 23rd March! So much has happened, with coronavirus hitting residents across Southend, the UK and in many countries worldwide. Here in Eastwood, much-loved local GP Dr Habib Zaidi was an early loss to the virus and we join his family and local residents both in mourning his passing and celebrating his life of achievement and care of our community. We extend our sympathy to all families affected by the virus.

In Eastwood – as elsewhere – local people, businesses, schools, NHS and care workers, waste collectors and others have been doing their best to cope with the Covid-19 issues. Cllr Paul Collins and Joe Higgs have been contacted by many individual residents and local families asking for advice, information and help with problems.

"We've done our best to help, including problems with City Fibre, road repairs, waste collection, social care or food deliveries," say Paul and Joe. "Although we can't deliver leaflets or hold surgeries just yet, we're here to help as always. Please do get in touch."
