We're backing **Suzanna Edey** and **David Webb**

Jola (left) has lived in Westborough for 10 years, and during that time qualified as a mental health nurse, and raised a daughter to adulthood.

Jola says, 'I have known **Suzanna** for about 16 years, and am excited to vote for her because I know that **Suzanna** has the best interests of Westborough at heart.'

"For me, it's important to feel safe in your area and to be proud of where you live. I will be voting **David Webb** because I feel you need someone that cares for our area and for the people. The wellbeing of Westborough and issues such as fly-tipping, lighting, graffiti and pot holes are always on his mind. He is a proud environmentalist and cares about the importance of recycling. While I've been out with my dogs I've see him along with some of the local residents out and about, cleaning and litter picking; it's great to see someone who is not scared to roll their sleeves up and get their hands dirty." **Lyn, Brightwell Avenue**

"I am voting for **David** because he is a local candidate who lives in the ward. He works hard all year round and is committed to Westborough. He gives lots of his personal time to listening to residents' concerns and tries hard to find solutions for them." - **Thomas, age 29**

Natalie (right) has lived in Westborough for 10 years and is a feminist, a mother to 3 sons and a Minister in Training. She says "I love living in Westcliff. I shop locally and really enjoy the creativity and sense of community here in Westborough. I was so pleased to hear that **Suzanna Edey** was stepping forward for election because over the years I have witnessed her commitment to the welfare of local people particularly those who are most vulnerable. I know that **Suzanna** and **David** will work hard to improve things for the people of Westborough and this is why they will be receiving my vote!"

"I am voting for **David Webb** because he genuinely cares about our community. David takes it upon himself to report fly tipping and other important issues. David is always on hand with invaluable advice. David is already making Westborough a better place." **Liz, 48, Hildaville Drive**
