## 3 good reasons to vote for Suzanna Edey and David Webb

### 1. David and Suzanna genuinely love Westborough

Suzanna has lived in Westborough for over 20 years, David for his **entire life**. Suzanna's children all attended Westborough Primary school and she now volunteers with several local youth groups. David is a former Chair of the Westborough Community Association and played a key role in the 2013 Save Westcliff Library campaign.

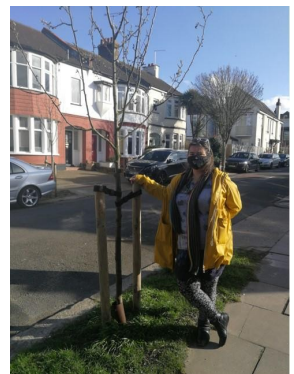

### 2. David, Suzanna and the Liberal Democrat team work hard for Westborough all year round

We publish our local newsletter *Focus* regularly throughout the year: keeping you informed and making it easy for you to get in touch with us. David and Suzanna have arranged for **over 500 small local issues** to be fixed by Southend Council over the last year.

### 3. A vote for the Liberal Democrats is a vote for a better environment

Liberal Democrats on Southend Council have declared a Climate Emergency and will ensure these words are backed up with action. We have already launched an **ambitious tree-planting programme** as a first step.

# Our vision for Westborough

## A strong community

There is a strong sense of community in Westborough and we want to make it even better. Suzanna and David both have a long history of campaigning and voluntary work in our area. **They promise to continue doing what they can to enhance and celebrate our vibrant local community.**

## A safe community

David and Suzanna have been working over the last year to make our area safer, bit by bit, **arranging for pavements, potholes, and streetlights to be repaired.**

## A clean and green community

David and Suzanna have reported **hundreds** of incidents of fly-tipping and graffiti over the last year and David is regularly seen out litter-picking with local residents. They are **fighting to get CCTV** at some of our worst fly-tipping hot spots.

Tom (right) says ***"I'll be voting for David Webb because he's tackling the litter problem, one of the biggest issues with Westborough ward, head on. You can see the difference he and the party are making just by walking up the street. David is an active contributor to making our local community a better place and is always on hand to help those who are trying to do the same."***

**Demanding EVEN Better for Southend / Working together for a brighter future**

Over the last 2 years, the Liberal Democrats have been working with Labour and 'independent' councillors within a joint administration to improve our town.

We are proud to have declared a **"Climate Emergency"** and begun an ambitious programme to **invest in our town.**

There is far more to do.

**A vote for the Liberal Democrats is a vote for:**

- Tackling the Climate Emergency
- Fighting pollution, litter and dog-fouling
- Boosting our local economy
- Improving public transport
- Investing in our town

Whatever the results of these elections, the Liberal Democrats will continue to work with anyone who shares our vision to make Southend the best place to live in, work in, and visit.
